arm angrily. A truck pulls up next to a car stopped in traffic, the driver gestures to a boy seated in the back of the car to roll down his window and one driver reprimands the other for honking at him and then threatens her as they drive away. Be aware that while we do our best to avoid spoilers it is impossible to disguise all details and some may reveal crucial plot elements. The MPAA rating has been assigned for strong violent content, and language throughout. The Kids-In-Mind.com evaluation includes a woman being chased and terrorized by a man throughout the movie, several people are murdered by being struck and run over by cars and trucks, stabbed, beaten, and burned with some bloody wounds shown, and nearly 30 F-words and other strong language. About 28 F-words, 2 obscene hand gestures, 16 scatological terms, 7 mild obscenities, name-calling (unpredictable, jerk, psycho, idiot, self-centered, sick), 4 religious profanities (GD), 8 religious exclamations (e.g. Oh My God, Oh God). And you will be helping support our website & our efforts. A woman slams a car into the side of another car causing it to flip and the man inside gets out with no injuries shown; the woman, holding a golf club, looks for the man, he grabs her from behind and slams her into the side of the car and then punches her in the face leaving her on the ground with a bruised face. We welcome suggestions & criticisms -- and we accept compliments too. You can help us keep our independence with a donation. Â We have gone through several editorial changes since we started covering films in 1992 and older reviews<sup>1</sup> are not as complete and accurate as recent ones; we plan to review and correct previous reviews as resources and time allowed. | glossary on profit | Ã Â ④ Â A man takes an Oxycodone capsule, and a young man offers a little â Ä ④ Â weedÃ¢ ÂÂ A man in a truck parks behind a woman in a gas station as he enters the shop; she tells people inside the store that she is afraid the man is following her and a man agrees to accompany her outside to dissuade the other man from doing anything. Also with Jimmi Simpson, Gabriel Bateman, Anne Leighton, Lucy Faust and Austin P. Â ④ ÂºÃ A woman pulls her car, goes out and throws up on the ground (we see well). A car crashes behind a police car that turns into traffic and other cars crash into each other to prevent the first car and a concrete truck from crashing over the police car completely. A young man is stuck in a chair, a man sprays lighter liquid around the floor and onto him and then tries a lighter next to him. A man slams the car on the highway, forcing it to crash head-on against a divider (the car turns in the air). Directed by Derrick Borte. "One of the 50 most cool sites<sup>1</sup>...they simply say it as "Ã" - TIME Why© Ã" Â ④ ÂUnhingedÃ " Â rated R? Police officers arrive at the home of a womanÂÂ and Ã is frightened when she leaves the door and sees them with her hands on weapons. ÃºÃ A young man hears noise in a house and investigates holding a kitchen knife: He finds a broken glass door and a man holding a young woman, who has a face bloody to be beaten; the man pushes the young woman into the blade of the knife held by the young man twice while they yell at each other and the woman falls on on a bed. A woman hyperventilates in several scenes. A man in a truck pulls across lanes of traffic and watches a car as the driver turns off the road and speeds away. Ã ¢ÃÂÂ Divorce, fiscal responsibility, parenting, road rage, violence, retribution, restraining orders. A man (Russell Crowe) with evident acute mental issues, takes road-rage to a new level when he goes on a violent killing spree after a woman (Caren Pistorius) honks at him in frustration at a traffic light; enraged at her and suicidal, he takes her phone, and proceeds to try to kill those on her contact list. We welcome suggestions & criticisms -- and we will accept compliments too. A man breaks the door of a house open, enters and calls for a boy; the man hears a noise and follows the sound upstairs where he grabs a woman by the feet and pulls her on the floor and then kicks her a couple of times; a boy hits the man with a golf club and the man drags the boy out of the room, the woman also hits the man with a golf club, the man throws the woman and punches the boy in the face (we see his bloody nose), and wraps a cord around the boyÃ¢ÂÂs neck and chokes him until the woman stabs him in the eye with a pair of scissors; she then kicks the scissors deeper into the eye when the man begins to move toward her again (we see the bloody eye and the scissors sticking out of the eye). A woman yells at another woman over the phone about missing an appointment and the other woman becomes frustrated. A truck chases a car and bumps it from behind several times while they are stopped in a line of traffic. A man drives next to a woman and shows her that he has taken her phone. A woman drives the wrong way down a one-way street and nearly hits a woman walking across the road; the pedestrian yells at the driver and the woman drives away. ¢ÃÂºÃ A truck speeds around a car on a non-highway road, cuts the car off and stops short causing the driver of the car to slam on the And for a while he caught the truck. Become a member of our premium site for only \$ 2 a month and access early reviews, without announcements, not even one. A man sits in a truck in the middle of a strong storm outside the home: he weapon of a large hammer and a petrol can. (we feel creaking and see a bit of blood), and then we hear a woman screaming from the inside and the intruder chases her and kills her with the hammer (out of screen and feel the stop scream); The intruder pours gasoline at home, burns and moves away when a explosion makes the car alarm and the fire fireplace. A woman says she will call the police and a man makes a comment on Â «suicide by a policeman ». A woman screams at the school administrator to let her go and pick her son when school is closed. They are McKenzie. A woman says: Â «I will be sickâ €" (I don't vomit). Â «Let's see and feel movies of news and news of violence that increase due to the loss of work and anxiety and we see videos of violent clashes in traffic, which discuss between drivers, a man is hit by a car, a car €™ car slashes a motorway on a motorway and the car crashes. We talk about mental health problems such as a national epidemic, which stress levels are at the highest levels and we see people walking on the street carry baseball bats on their shoulders. While we read all the emails and try to respond, we are not always able to do it; You are certain that we will not share your e-mail address. A woman enters a cross when the traffic light turns green and another car passes her front; She stops and don't collide. Two car speeds on non-motorway roads and steer around others One crashes against another car in an intersection, a guide in the wrong way on a one-way street. A man in a restaurant hits another man through a table he in his face with a cup of coffee (we see a bloody gash on his nose and blood on his face and mouth), the aggressor crushes the head of the man Â™ s in the table, he gives him a fist in his face a couple of times, he pulls onto tie making him suffocate, and then stab him in the back of the neck with a knife killing him (we see blood that gives rise to the table and the knife sticks from the back neck). A boy complains with his mother because he is again late for school. again.
